

Summer Camp at the WEE Center

Who can attend the WEE Center Summer Camp?

All children who are currently attending the WEE Center are welcome to join us.

Children registered for next year who are 2.5 by June 1 are welcome to join in the fun! Priority is given to current WEE Center students.

When is Summer Camp?

The camp is held from Monday, June 3rd through Friday, June 7th. Camp hours are 10AM - 2PM every day.

How is Summer Camp different from the regular preschool program?

During Summer Camp the children rotate through activity stations led by different teaching teams.

What do you need to send to Camp?

Please send in your child's lunch and a change of clothing each day. Please do not send your child to camp in dress clothes because the children will be involved in fun but often messy projects.

If your child has not attended the WEE Center before must complete required emergency contact forms and a medical form before camp begins.
